vs.

Civil Action
2:17-CV-18

Joseph Penn, et al
Defendants

Motion to clear up a Point
of contention in Document 235
for Stay / Protective Order by the
Defendants

To the Honorable Judge of said Court
Now Comes, Ms Bobbie,
AKA the Plaintiff and needs to make sure
that on page 3 of 10 in the Motion to
Stay / Protective Order a point of order is
cleared up.

Argument

The Honorable Bruce Garcia filed a
answer to the Plaintiff's amended complaint.

Garcia made it very clear he was filing only for Dr. Luthicum.

Honorable Garcia was the only attorney's name on the answer.

Corbello's trying to say - "The answers noted that they were "filed with full reservation of rights to seek all necessary relief to prevent CMHCC Defendants from being subject to the Burdens of ongoing litigation while their appeal is pending".

This may apply to Dr. Luthicum but the point is Corbello has not answered the Writ for her Defendants.

Your Honor, yes we have 10 Defendants but 3 different sets of Defendants that are represented by 3 different lawyers.

They all have signed off on the Joint Motion to Stay/Prohibit Order but only Garcia answered the Civil Action, the others two, Corbello & Straum are in default.

End.

So Prays the Plaintiff
